MEMORANDUM FOR: Chief, Contracts Branch, DPD ✓
THRU: Chief, Materiel Branch, DPD *RD*
SUBJECT: Contract No. SE-510, Spare Part Kits

1. The Granger recommended list of spare parts has been reviewed by the Ops Requirements Section and also by the Developments Branch, Personnel.

2. It has been noted that items considered to be critical, such as traveling wave tubes and transformers, have been included in this list.

3. Inasmuch as we have had no operational experience with these units, it is recommended that the contractor's spare part list be accepted at this time. It is further recommended that after these units have been in operation for a period of six months, that each unit be required to submit a recommended revised spare parts list.
